

The ESPG AG (European Science Park Group) is the leading investor in research and development real estate in Germany. With a growing portfolio of currently 16 properties, we provide over 126,000 m² of “space to innovate” to more than 60 financially strong tenants. Our tenants are active in the fields of life sciences, green tech investing and digital transformation, as well as adjacent and related industries.

Our niche is the development and investment in attractive science parks close to world-class universities and hospitals, ensuring a rich talent pool for recruitment. Our tenants can expect long-term commitment, adaptability, integrity and a dedication to creating the perfect space for innovation and growth.

Job advertisement Lettings Manager (m/f/d)

Have we whetted your appetite for a modern way of working and the start-up spirit of our Group? We are looking for curious, courageous minds who think entrepreneurially and act with agility. We offer a steep learning curve, high future potential, flat hierarchies and uncomplicated decision-making processes.

WHAT IS YOUR JOB?

- Active marketing of our rental space
- Identifying and approaching potential new
- Support with the creation of exposés and presentations
- Communication with existing tenants (renewal)
- Close cooperation with external brokers and internal management
- Accompaniment of viewing appointments and communication with interested parties
- Coordination of conversion work

WHAT ARE YOU BRINGING?

- Completed studies or training in the field of real estate, sales or similar
- First experience in letting or sales - e.g. from brokerage or project development
- Strong communication skills, initiative and pleasure in actively approaching customers
- Organizational talent, team spirit and a desire for a steep learning curve
- Good knowledge of MS Office (especially Word, PowerPoint, Excel)
- Very good knowledge of German, good knowledge of English

WHAT DO WE OFFER YOU?

We provide our employees with exceptional freedom, flexibility and a unique culture to help them thrive both in their roles and within their teams.

Open communication, feedback and interaction drive our growth. At ESPG AG, our colleagues develop a close, motivating team spirit. We actively support and encourage personal development. Cell phones and laptops can also be used privately. A welcoming atmosphere is important to us, with food, drinks, perks, and creative events all contributing to our feel-good factor.

At ESPG, "welcome" is more than just a word – we can't wait to meet you!
